

## How to prepare for your appointment for immunization

1. Please arrive on time. We have planned the schedule carefully to allow for sufficient time between patients to adequately sanitize.
2. Please have your Covid-19 Screening and Consent for Vaccine forms filled in prior to your arrival. Forms can be downloaded from the website ([www.estevanpharmacy.com](http://www.estevanpharmacy.com)), emailed to you, or picked up from the pharmacy in advance.
3. You may spend a portion of time waiting outdoors. Please dress for the weather. (Don't forget to have short sleeves under those layers for your flu shot).
4. Please come to your appointment wearing a mask and sanitize your hands using sanitizer provided before entering the store.
5. Please come to your appointment alone unless accompanied by others from your home who also have an appointment.

We appreciate your cooperation and understanding as we try to safely navigate through these challenging times.

Should you have any questions, please don't hesitate to call the pharmacy: 250-598-2517

We look forward to seeing you,

The Estevan Pharmacy Team
